

As of 4/1/2011

Important Changes to the Kroger's Community Rewards Program

I want to make you aware of the ANNUAL changes necessary to continue your account numbers in the Kroger's Community Rewards program. There is a requirement to **RE ENROLL** in the program **yearly** after April 1st. **If you do NOT re enroll after April 1st you will not collect Community Rewards starting May 1st.** This is true of all cards currently signed up to be dedicated to your Player.

To register or re-register select **"Pride Soccer Club" - #83912** as a Kroger Community Rewards Partner.

You will need to go to www.krogercommunityrewards.com & re - register your **Kroger Plus Card** - **select #83912** - **Pride Soccer Club** as your designation, either work when searching. Any friends or family that have registered to help must also make this change or their card will be dropped after May 1st.

In order to make this switch as smooth as possible and to ensure that you don't miss an opportunity to receive credit, it is important that we receive the following information from you as soon as you sign up each *Kroger Plus Card* number that you wish to add to your account:

- Cardholder Name
- Kroger Plus Card Number
- Player to which to give credit

Even if you have never participated in the Kroger Rewards Program, you may still take advantage of this unique program with Kroger by providing the information below.

Please e-mail this information to lreade@insight.rr.com or return this form to Lisa at PSC, PO Box 764, Canal Winchester, OH 43110. Thanks in advance for your help in making this transition smooth and thank you to Kroger for their ongoing support of youth sports in this program. Visit www.krogercommunityrewards.com for more information.
