Please Include:

1. A letter describing the circumstances that should be considered for your player(s) and family.
2. Copy of any notices or statements of financial assistance received from government agencies.
3. Any other documentation that should be considered.

PSC includes many families who are in need of financial assistance and are making every effort to allow their children to participate. There are a limited number of scholarships available to help offset the cost for a few families in need of assistance. PSC will do everything possible to make sure all qualified players are available to participate, which includes, but is not limited to: setting up payment plans, providing fundraising opportunities, and providing opportunities to volunteer.
