

2016-2017

Central Ohio's most popular 4v4 futsal league is in its 7th year!
Over 450 players competed in the SECFL last winter!

Games and The 4v4 Futsal Advantage: Games will be played on courts that are approximately 23x12 yards with 4x6 goals with no goalkeepers. A weighted futsal ball is used forcing players to keep the ball on the ground resulting in the use of more foot skills. The small field, faster surface and futsal ball has been proven to allow players almost twice as many touches as traditional indoor soccer. The smaller, faster surface also demands that players have a better first touch and requires players to make quicker and better decisions. All of this results in a more technically sound and tactically aware soccer player!

Player Registration: Players will register as individuals, in their current age group, and each week they will be placed on a different team. SECFL is open to all players (U7 through High School) regardless of club, league or school affiliation. Individual players will get points based on how well their team does in comparison to other teams in their division on that match day. At the end of the season individual players who finish 1st, 2nd and 3rd place in their division will be awarded medals. This format allows players to compete as individuals within the concept of team play and promotes a sense of competition between teams and players each match day!

Coaching and Schedule Requests: All coaches are licensed and highly experienced. Coaches will officiate the matches and ensure players receive equal playing time. They will also encourage skillful and creative play individually, while teaching 4v4 team tactics, but will leave most team decisions up to the players and make it a "players game". Parents can make schedule requests each week and SECFL will try as much as possible to accommodate those requests to make it easier on busy parents and players!
